Dear Friends,

As the days turn to August, we are soon to embark on a new secular and religious school year. For our Temple, we have much to look forward to in the months ahead, and Rabbi Karen, rather than scrambling to keep up with what was then a brand-new position, now has the opportunity to put her own stamp on our Beit Midrash. Some beneficial changes are in store in 2024 – curriculum, classroom furnishings, admin and instructors – and we look forward to reimagining what our Beit Midrash can be.

Our High Holy Days are now just eight weeks away, and so, like a long-lost friend, attached you will find the 2024 High Holy Day Booklet. Our Ritual Committee has been hard at work putting the final touches on the menu of services, and I think you'll be pleased to know that once again a chorus of congregational voices will add melodious sounds to our services. And of course, our musician savant and vocal coach, Manfred Dreilich, will accompany on keyboard all our services.

Our schedule of services commences with a delicious S'lichot dinner and service on Saturday, September 28. It will be a wonderful evening and a fitting way to start our High Holy Days.

Please note that all members in good standing (i.e., current with their dues) will be listed at the check-in table in the Lobby. Please check your own records to see if you've made the appropriate payments for the year to date, as this will be strictly enforced.

For non-member guests, Tishrei membership – essentially membership for the High Holy Days and Sukkot/Simchat Torah – is once again available. Please consult this booklet for details on this option. We do hope you'll join us at this important time.

As we did last year, Rabbi Fanwick and select speakers will read aloud every name included in our Yizkor Book during the Yizkor Service. Details on this tribute can be found in this booklet.

Most importantly, I'd like to call your attention to our High Holy Days Appeal attached. The harsh but truthful reality is that congregational dues alone will not suffice to maintain our operations. At this traditional time of year added fundraising, we appreciate any contribution you can make to sustain our inclusive and loving Community. Now more than ever, it is important that we remain a beacon of light for the next generation. Please help us in fulfilling our mission.

To a great year ahead!

Mike Slotkin

President, Temple Israel of Brevard

From the desk of Rabbi Karen Fanwick:

Shanah tova! This is the greeting we will use as we enter into our holy month of Tishrei and our holiest of days-Rosh HaShanah and Yom Kippur. We greet each other fondly with Shanah Tova u'me'tuka-May you be written for a good year! We might say Gut Yontif-Yiddish for the same well wishes.

As we depart the month of Elul with all of our physical and mental preparations to enter Tishrei, we need to remind ourselves of what this time of the year is all about. Yes, it is about celebration of another year for us and a chance to atone for many of the places where we missed the mark. But it is more than that.

We are also doing an introspection of our lives. It is our personal Cheshbon HaNefesh-an accounting of our lives and our souls. What did we accomplish? Where do we need to improve? What repair do we need to make on our lives and the lives of those around us that we care so much about? Is it even possible to repair everything that has gone wrong? During our Yom Kippur morning service, we will take silent time to look at the harm we have done to ourselves, our family and friends, our world around us, and our relationship to the Jewish people. We will take our accounting and then what do we do? Hopefully, we can come up with answers together.

As we prepare to be together in worship for these holiest of our days, and prepare to atone for missing the mark, let us also take a moment to reflect on all of the good we have done in the year that has passed. We will ask others for forgiveness and ask God as well, but take a moment to look at some positive aspect of the year, something you are proud of, something you did to make another person feel loved or cared for. While there are improvements to be made in each of our lives, everyone of us has also improved the world in some small way. Use that positive as your target for next year and hit that mark! Make your choices purposeful and holy.

Wishing all of you a safe, happy, and healthy New Year!

Fondly,
Rabbi Karen Fanwick

YIZKOR BOOK

Judaism considers the human capacity we call "memory" to be a gift from G-d – a unique power through which we may confer immortality upon those we love who have died.

The very memories we cherish most can also be the most painful, but we can sustain our fond memories as sources of comfort and inspiration.

Our Yizkor Book, distributed on Yom Kippur and used throughout the year, provides a traditional and meaningful opportunity to memorialize our family and friends through an act of tzedakah. The Yizkor Book names will be read during the Yizkor Service on Yom Kippur. The cost per name will be \$10.00.

May the New Year be a sweet one for you.

High Holy Day Appeal 5785

**Your contribution enables Temple Israel
to sustain a healthy and vibrant community!**

For more than five decades, we have been blessed to have a warm and welcoming community, which is now led by our new Spiritual Leader Rabbi Karen Fanwick. Under the leadership of Rabbi Karen, and our past Rabbis - Max Eichhorn, Andy Hillman, Barry Friedman, Patricia Ernest Hickman, and Brett Tancer - we have been an anchor for our Space Coast Jewish Community, providing a venue for worship, educating our children, and fostering a sense of openness and inclusiveness. It's a mission we wish to continue for the next five decades, and we need your support!

A gift in any amount will go into the general operating fund and help our bottom line. It costs more to maintain this vibrant congregation than what we receive each year from dues collections alone. The High Holy Day Appeal has been, and will continue to be, a vital funding source for our small and mighty Shul.

Our goal this year is 100% participation in the High Holy Day Appeal. This is an important investment in your Temple and the future of Reform Judaism. Please note we are also able to accept investments in stocks, bonds, or other fiduciary instruments.

Thank you for your commitment and belief in our Temple and its mission.

I'd like to make a donation in the amount of: _____
