On AUGUST 21, 2024 Your Love is Blasting in My Heart by Marilyn Saltzman.

Mussar, a time-honored Jewish spiritual and ethical practice, is experiencing a modern resurgence. The practice offers a unique perspective on mindful personal growth in the service of others.

One of the few books to view Mussar through a woman's lens, Your Love Is Blasting in my Heart makes these teachings accessible and relevant to readers of all faiths. Saltzman's memoir features entertaining stories about a Jewish grandmother and her two grandchildren, adopted from China and Ethiopia. Each chapter presents vignettes about a different Mussar soul trait, such as compassion, gratitude or generosity. In the flavor of Chicken Soup for the Soul, the book features conversational anecdotes that are both humorous and inspiring. Each chapter concludes with journal prompts to give the reader an opportunity for self-reflection.
